*"Good morning yesterday,
You wake up and time has slipped away
And suddenly it's hard to find
The memories you left behind
Remember, do you remember?"*

*The laughter and the tears
The shadows of misty yesteryears
The good times and the bad you've seen
And all the others in-between
Remember, do you remember the times of your life?*

The seasons are passing one by one
So gather moments while you may
Collect the dreams you dream today
Remember, will you remember the times

Kent Leads the Way

The Student Cabinet of Fall 1975, under the enthusiastic leadership of Student Body President Kent Braunschweiger, made the pressures of school a little easier to cope with by providing students with a variety of fine activities.

Cabinet's biggest project of the semester was organizing a very profitable drive featuring World's-Finest candy bars that kept Cavaliers ringing doorbells for weeks after Halloween. Students who sold one or more cases of candy got the opportunity to see the academy award winner "The Sting".

Other cabinet activities included one of the most successful Spirit Weeks in recent years and a series of excellent after-game dances making the fall semester a very enjoyable one for everyone involved.

Spirit Runs Wild

Cleveland's traditional Spirit Week, under the direction of Linda Folkman, Director of Spirit, was held once again this fall. A pot-pourri of activities was offered for students to participate in.

Leading off the week was the Lifesaver Relay featuring the winning team of Joe Panushka, Hope Belilove, Cathy McKerny, Kent Braunschweiger, Howard Borenstein, Carrie Stanfield, Todd Porter, Liz Hall, John Noland, and Anne Strand.

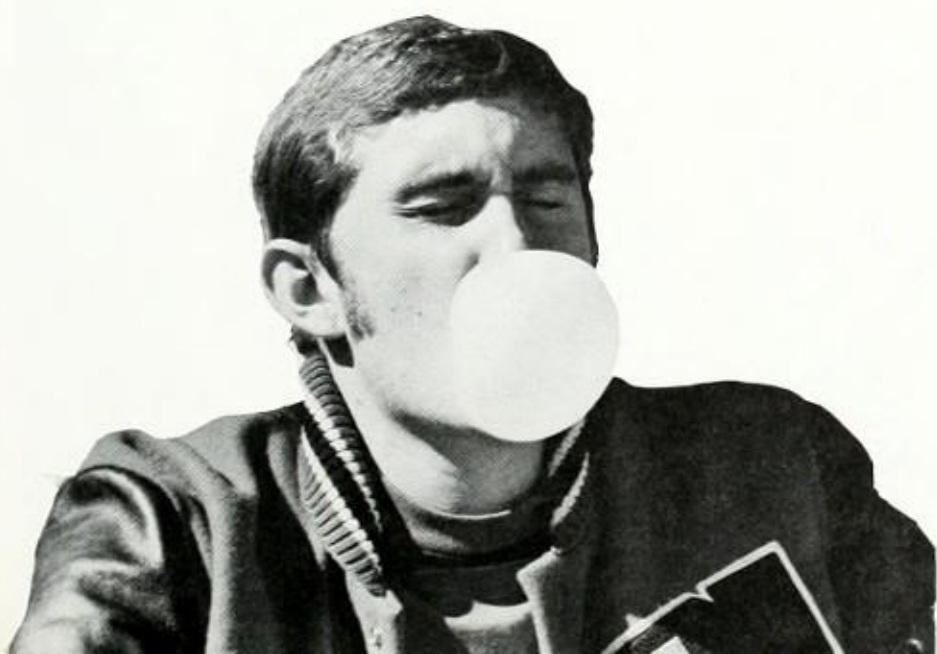

Tuesday's activity was the infamous Cracker Whistle won by Liz Hall, Doug Swisher, and Laura Pickford.

Two activities were featured on Wednesday, the Wheelbarrow Race and the Tug of War. The first of these was won by John Burdick and John Noland for the men's competition while, Lily Torice, along with Rosanna Chavez, took the girl's title. The Tug of War ended in chaotic confusion.

Thursday was also highlighted by two activities, the Burping Contest in which Dave Bueno belched his way to glory, and the Bubble Gum Blowing Contest which was won by Kevin "Hot Air" Wilson.

The week was rounded off on Friday with the Lemon Eating Relay Race in which the Juniors walked off with the victory, and very sour faces.

Between these activities and several football pep-rallies during lunch, students were given an opportunity to show just how spirited Cavaliers really are!

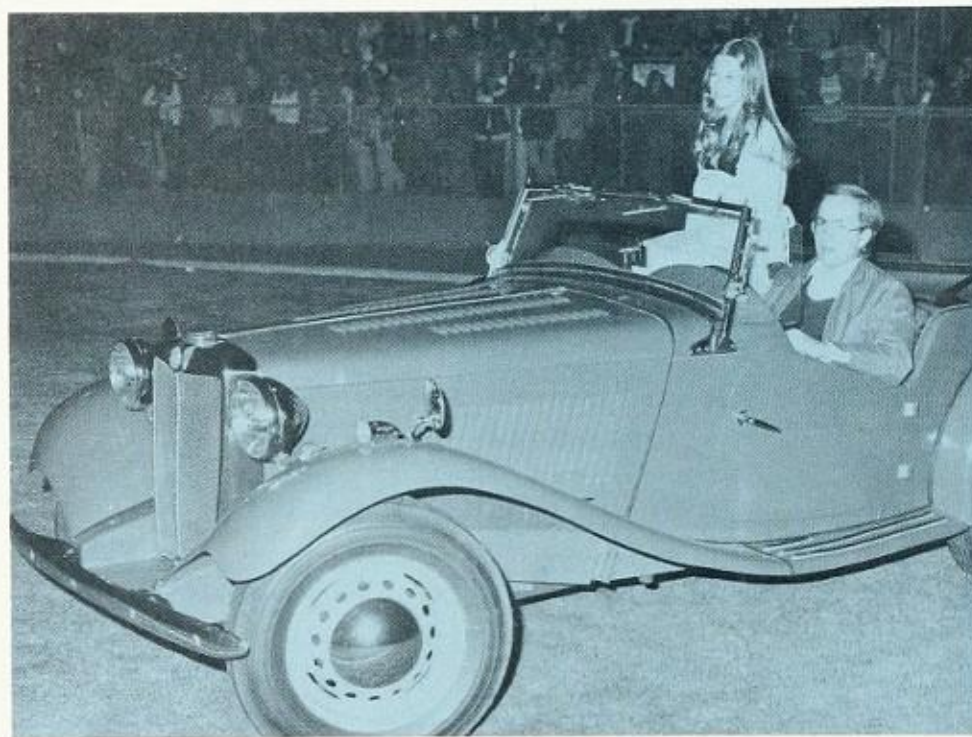

Oh! Rosanna

It was a cold November evening, when during half-time, the candidates for Homecoming Queen drove before the bleachers packed with hundreds of cheering Cavaliers, past and present. The girls nervously stepped from their cars and got settled with their escorts for the big announcement. Host Earl Baer introduced the retiring Homecoming Queen from 1974, Debbie Erickson, who was present to crown the new queen and her court. The tension mounted as the first envelope was opened. The fourth princess was Laura Monteleone escorted by Kevin Wilson. Nuria Hernandez, with escort Mark Kiefer, was crowned third princess. Second princess was Carrie Stanfield escorted by Bob Zatorski. Now there were only two girls left as the stands became silent and the last envelope was opened to reveal Danette Forbes, escorted by Student Body President, Kent Braunschweiger, as the first princess. Lovely Rosanna Chavez, with escort Bill Cartwright, was the winner to be crowned Homecoming Queen for 1975. The crowd seemed very pleased with the choice, but Rosanna was definitely the happiest.

Debbie Erickson, Earl Baer, Rosanna Chavez, Bill Cartwright, Danette Forbes, Kent Braunschweiger, Nuria Hernandez, Mark Kiefer, Laura Monteleone, Kevin Wilson, Carrie Stanfield, Bob Zatorski.

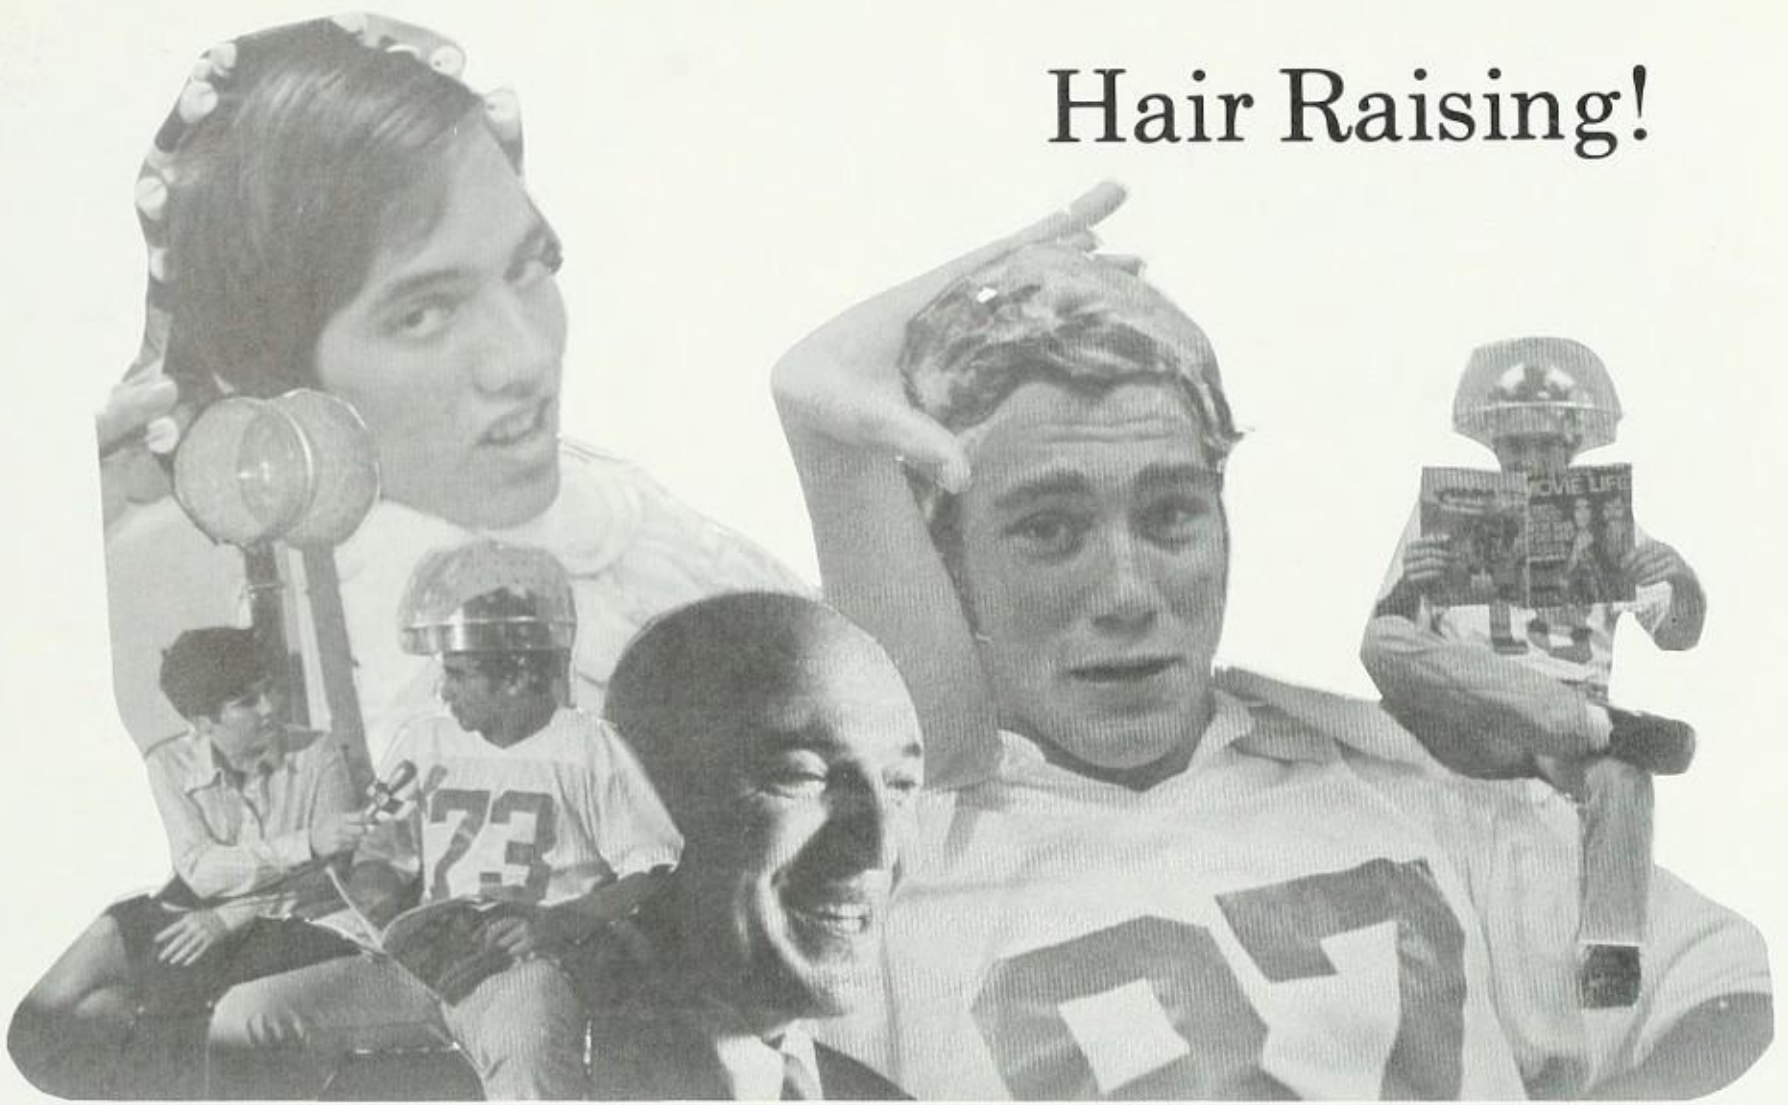

How "Sweet" It Is

Where else could you win anything from a beautiful stereo system to an electric yo-yo but in a Cleveland Candy Drive.

Kicked-off by a 3AB assembly featuring the talents of our hard-working student cabinet, the drive lasted for twelve very profitable days. World's-Finest chocolate bars were the product, and everyone who sold at least one case got a chance to see the movie, "The Sting", during third and fourth periods. A spirited student body made the drive one of the most successful in Cleveland's history.

Hair Raising!

Are these scenes from the movie "Samson and Delilah"? No, it's Cleveland's football team getting perms! On Wednesday, November 5, midway through the season, the team marched into a Woodland Hills beauty salon, hoping that curls would improve their record. It did, but not enough to get to the playoffs; however, they made the front pages of newspapers as far away as Hawaii and Germany. Eat your heart out Telly Savalas.

“Act One”

This Fall, the outstanding Cleveland High School Drama Department once again participated in a city wide Drama Festival, held at Fairfax High School. Under the direction of Ms. Victoria Francis, they competed against seventy other schools from all over Southern California. Segments included a humorous scene, a serious scene, a specialty scene, several individual scenes and a group pantomime. The humorous scene, “House of Blue Leaves” was performed by Kelly Curran, Jan Sherman, Melinda Hays, Amy Hatley, Lisa Reggio, Fred Hannum, Bob Brown, and Virginia Ballard. Nick Savalas, Jeff Woodbury, Dottie Merritt, Laura Olson and Shawn Tamberella were featured in the serious scene, “The Brick and the Rose.” Competing in the specialty scene, “Sanberg,” were Pam Jordan, Carla Norstrand, Melinda Kelpner, Tedi Forest, Bob Anderson, Sue Lacugna and Clint Archambaut.

Rounding out the competition were individual scenes by Tammy Harris, Karen Kerper and Cynthia Stevenson. The group pantomime featured Rose Sevetky, Karen Swan, Carl Harmon, Pam Bentley, Lynn Cooley, and Terrie Nelson.

“Smorgasbord”

It was the last school day before Christmas vacation, and what better reason to celebrate. Students and teachers from every foreign language class at Cleveland drueled their way over to the Multi-Purpose Room for the famed International Foods Banquet. The occasion featured dishes from all four corners of the world. Although there was enough food present to keep the city of Cucamonga alive for weeks, within a few hours there was hardly a crumb left. It is rumored that while leaving, “Buck” Savage was overheard saying to himself, “I can’t believe I ate the WHOLE thing!”

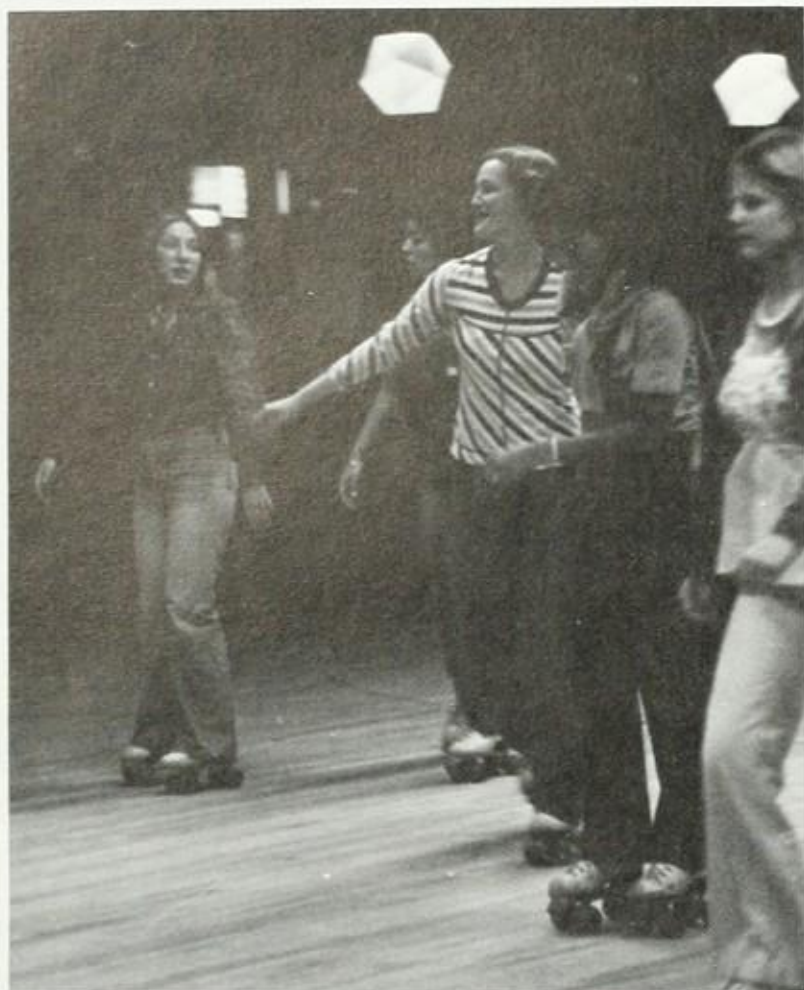

Senior Spirit of '76

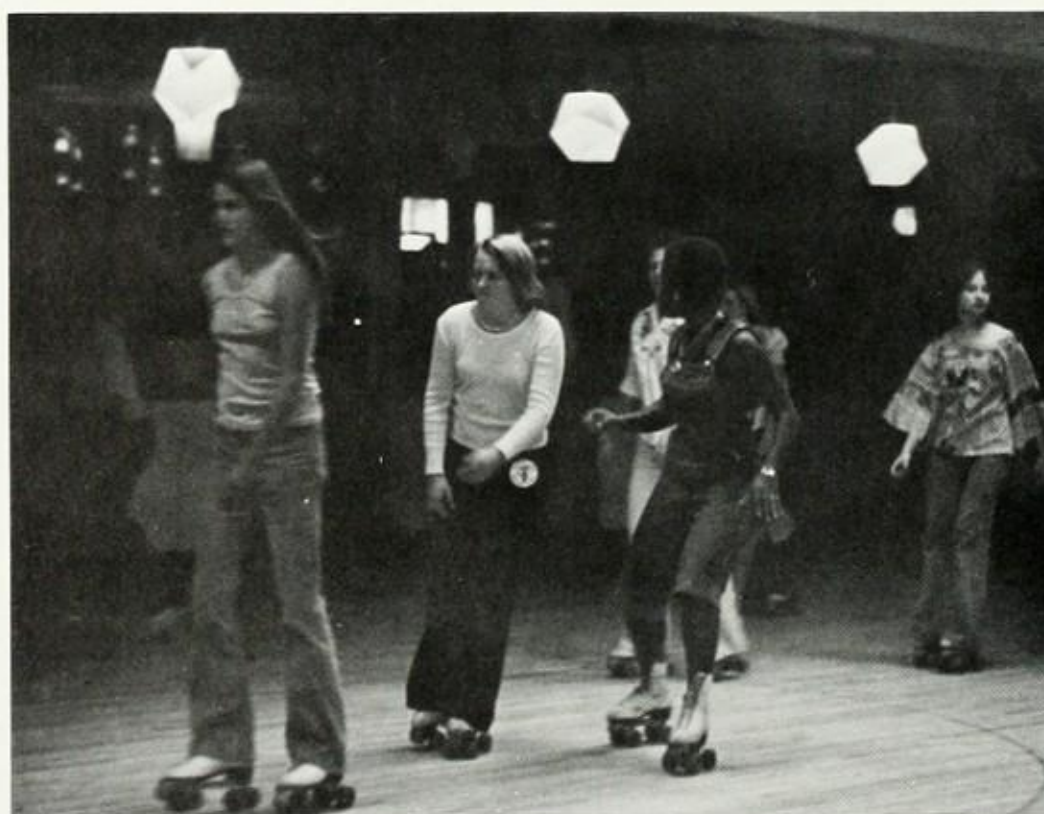

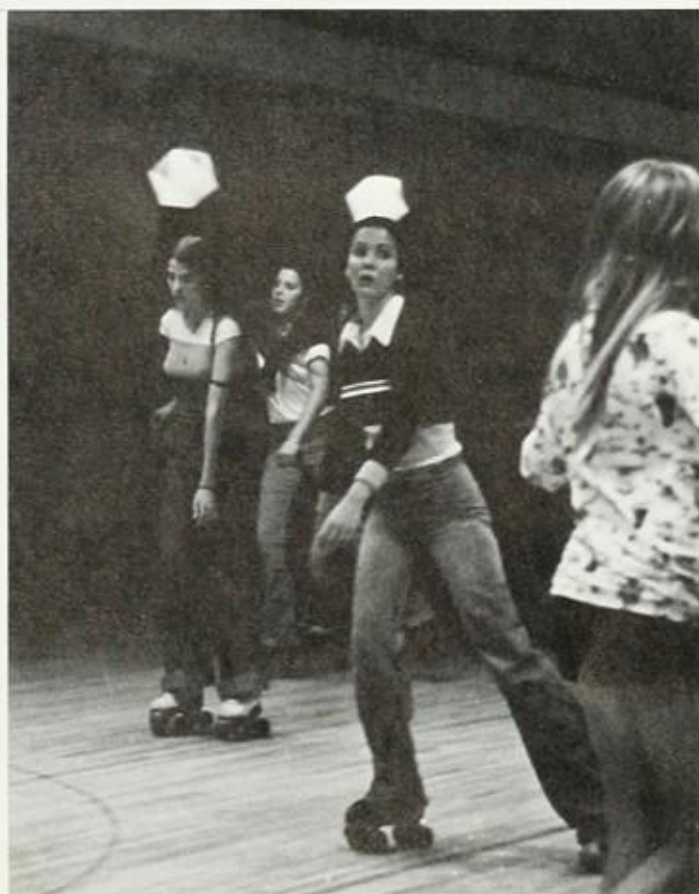

After more than a decade of going to school, the senior class of 1976 proved that their spirit hasn't faded over the years. The Senior Steering Committee and Council, under the leadership of Fall President, Nuria Hernandez, and Spring President, Kevin Wilson, provided a wide range of senior activities throughout the year. They included a three-legged race, limbo contest, hula-hoop exhibition, fifties style sock hop, and a Senior vs. Faculty basketball game, in which the seniors lived up to their class motto: "Courage to Conquer."

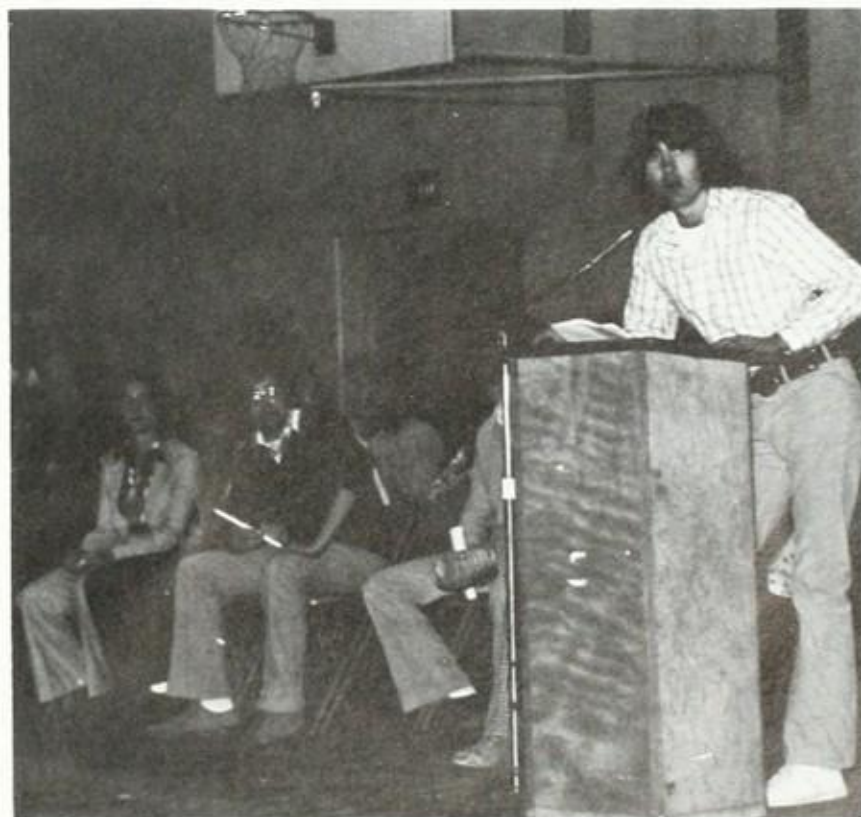

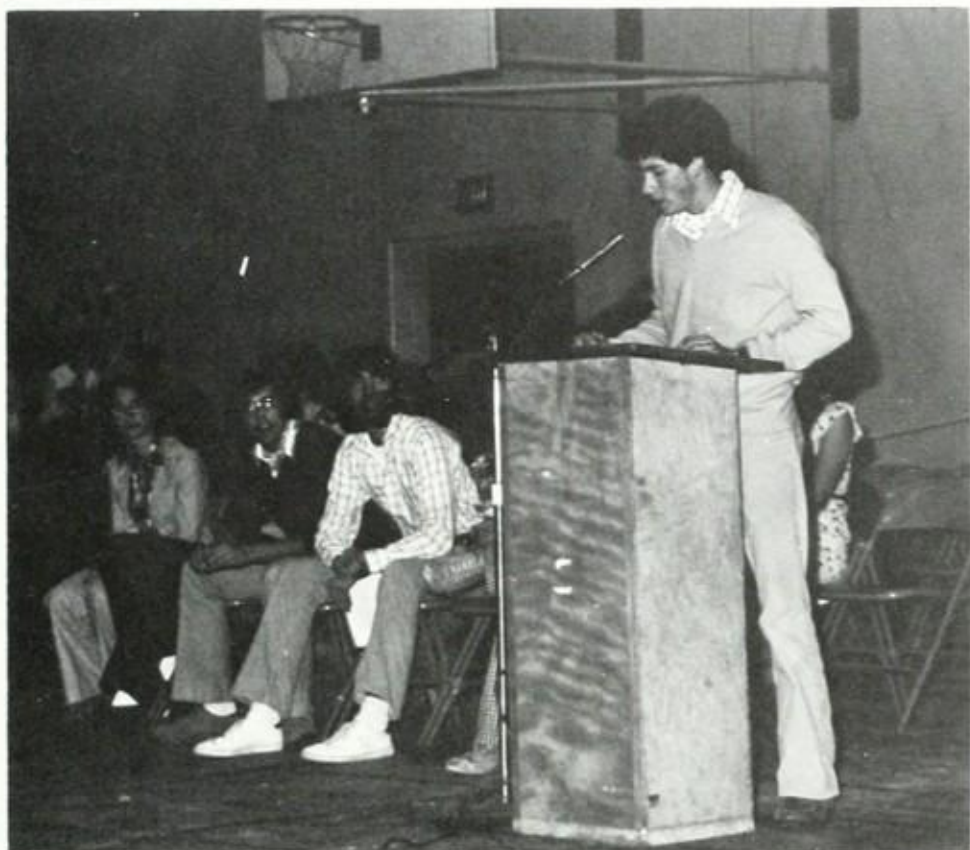

Even though most everyone who attended the Senior Roller Skating Party left with either a bruised elbow, a bumped buttocks, or a scraped knee, they also had a big smile on their face. The bash, organized by Fall Senior Class President, Nuria Hernandez, was held at the Sherman Square Rink in the heart of beautiful downtown Reseda. After several hours of thrills and spills it was time to go for the Bactine and Band-Aids. But when all's healed, the senior class just keeps rolling along.

Let the Good Times Roll

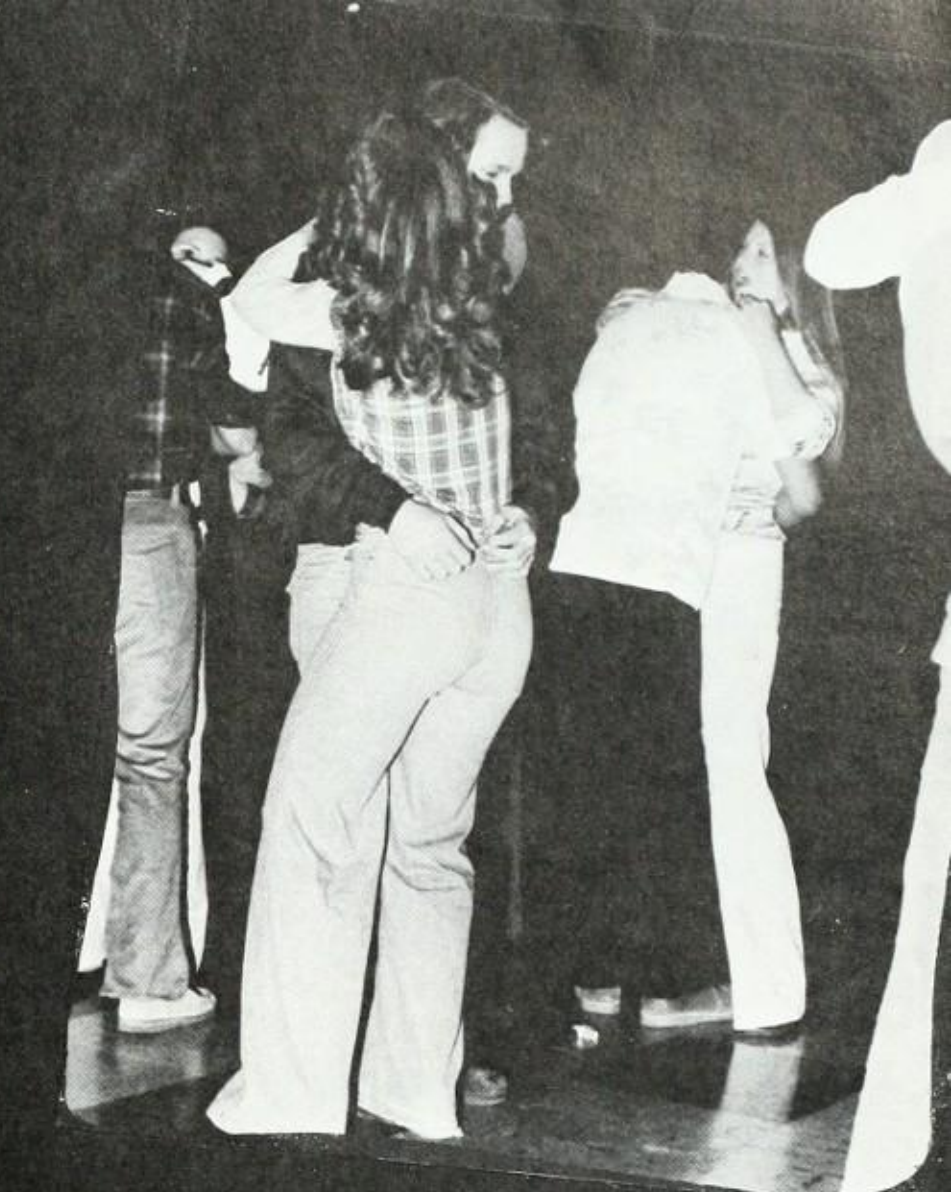

Campaign '76

Look at all the fun the Democrats and Republicans are missing. The election assembly held on Jan. 13 gave the student body an opportunity to see the candidates of their choice deliver interesting speeches and allowed the cheerleaders to do their thing. During the two lunch periods following the assembly, elections were held. Although there had to be as many losers as there were winners, everyone enjoyed the excitement of running in a political campaign. A fine example of the democratic process in action.

CAVALIER NIGHT LIFE

When most Valley high schools hold an aftergame dance, they're lucky to have a dozen people attend. Not so at Cleveland. When we hold a dance, there's wall to wall people. Other schools are dying to know Cleveland's secret, but no one can quite explain it. It might just be because Cavaliers are the friendliest and most spirited people this side of the Santa Susana Mountains. Thanks go to Social V.P., Anne Reach, for providing us with some of the hottest bands around and organizing all the dances throughout the entire year. Grover Cleveland would be proud.

Cleveland Faculty Members “Shoot Up”

This is not your average everyday athletic event. No! It's the Senior vs. Faculty Basketball Game held during Senior Spirit Week. Faculty members tried to prove that their superior age would easily insure them a victory over these “younger dribblers.” Their plan failed badly as the seniors routed their elders proving once and for all that they had the “Courage to Conquer.”

Talent Plus!

Hit the spotlight, open the curtain, and sit back for a very enjoyable evening of nostalgic entertainment. The date was November 22, 1975 and the scene was the M.P.R. for the gala Cleveland Talent Show entitled "Those Were The Days." The evening's festivities, sponsored by our Drama Dept., featured a retrospective of song and dance, spanning several decades. The hidden talents of many Cleveland students were exposed to a very responsive audience. Next stop, Carnegie Hall.

Once Is Not Enough!

During the past year it has been my privilege to be Cleveland's Student Body President. I feel that we are fortunate to have an excellent place to acquire knowledge needed to lay the foundations for a successful life. Both academic and social activities can be found among the many varied programs which take place on our campus throughout the year.

Student Cabinet and myself have tried to make necessary changes and improvements aimed at the betterment of the school. We hope we have left Cavaliers with the memory of a good and worthwhile experience.

House of Representatives

House of Representatives is an organization which informs the student body about the activities of Student Cabinet. Executive V.P., Earl Baer, served as chairman for both semesters this year. Other officers included for Fall, Vice-President Lisa Shaw, Secretary Martha Moreno, and Sgt. at Arms Corky McKnight. Spring officers were Vice-President Sue Chadwick, Secretary Ann Boggio, and Paul Romero was Sgt. at Arms. In all, it was a very productive year for this group of active students.

This year, Cleveland once again participated in the Foreign Exchange Program sponsored by Youth for Understanding. YFU has exchanged more than 50,000 students, ages fifteen through eighteen, since 1951. Students come to the U.S. from twenty-seven countries in Europe, Central and South America, and the Far East. All four of this year's imports scored well in getting acquainted with the American way of life.

Colour My World

One night each year, the rather ordinary Cleveland Multi-Purpose Room is magically transformed into a wonderland known as D'Artagnan Hall. This is the site of the annual "Vice-Versa" where girls get a rare chance to get dressed up and ask their favorite guy out. This year, after dining at exquisite restaurants throughout the mystical San Fernando Valley, the couples moved onto the dance floor. They enjoyed a kaleidoscope of flowing melodies presented by the night's featured band, "Shades of Brass." The festivities were superbly organized by Girls' League President, Martha Moreno, and the theme, "Colour My World," set a perfect mood for this gala evening. Memories are made of such things.

A Heritage Celebrated

This year, for the first time at Cleveland, an enthusiastic and well planned Black History celebration was held. The festivities were organized and presented by the Black Culture Council, sponsored by Mrs. Pearson. They included a luncheon attended by important members of the Black community, a dance featuring the band Rhyme Time People, and an assembly spotlighting a fashion show, poetry, dance, and other examples of the great influence Black culture has been in the United States and all over the world.

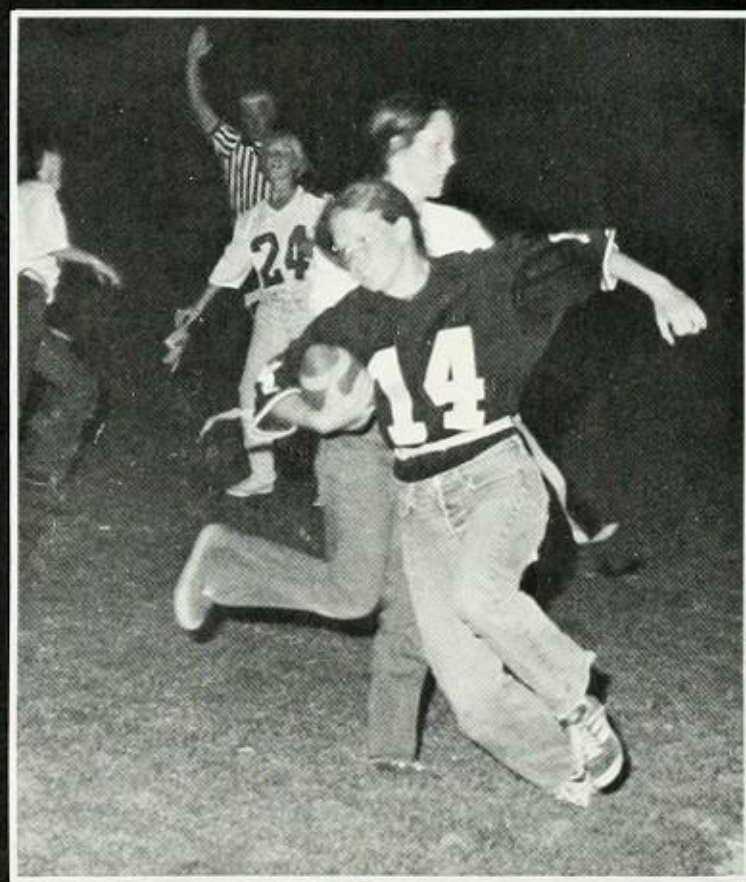

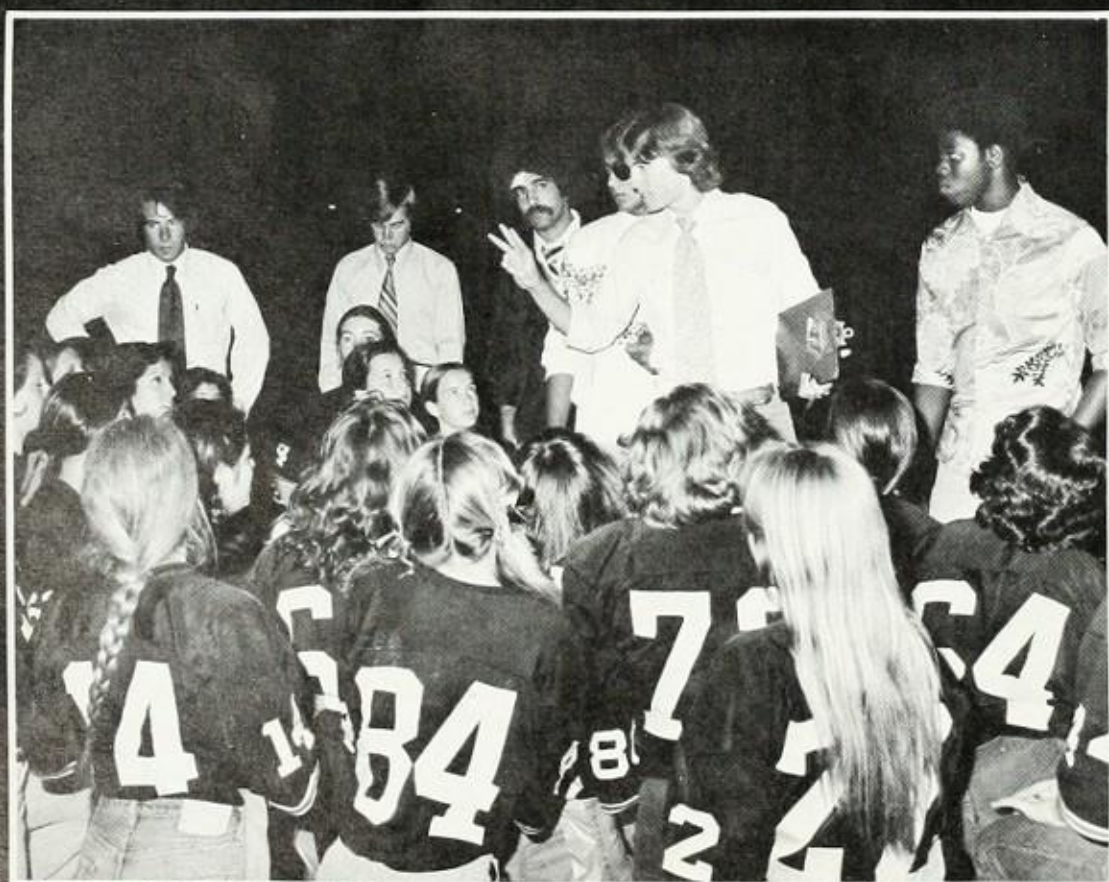

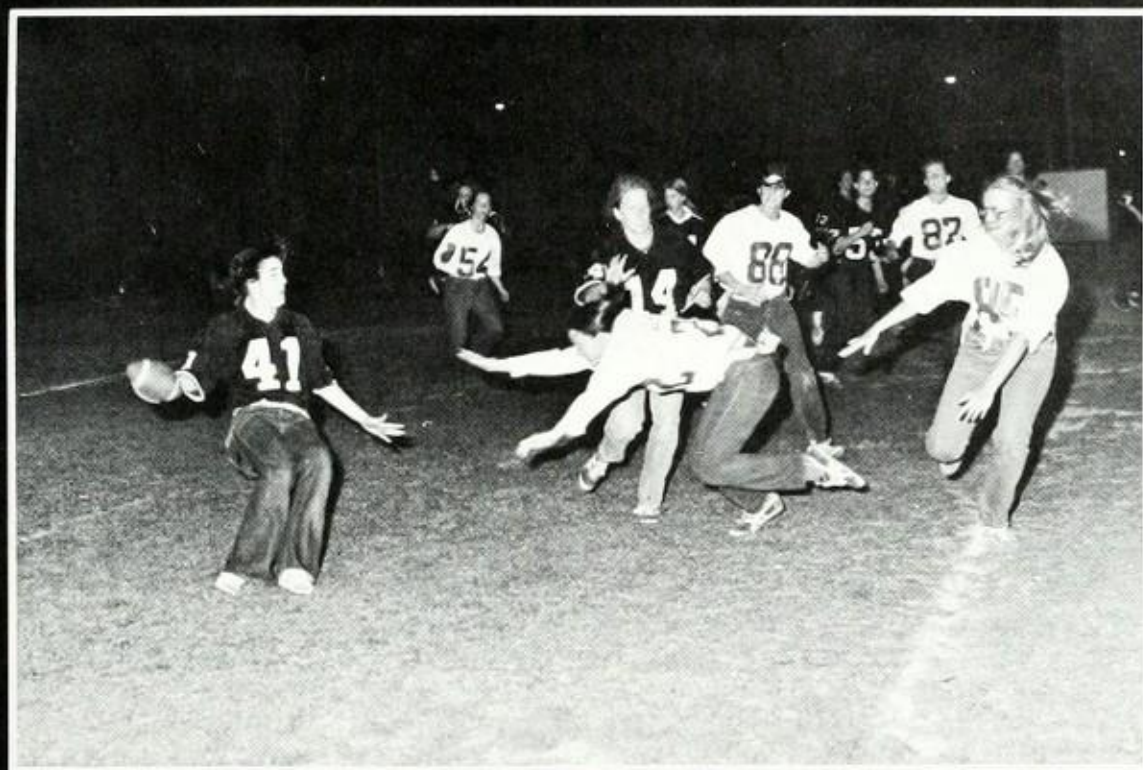

SENIORS

JUNIORS

Seniors Outfox Juniors 30-7!

This year's Foxy Lady Football Game once again proved to be an exciting night event, packed with action, as the powerful Senior team, who also won last year as Juniors, came away with a 30-7 victory. The Junior team, coached by Dave Smith, Paul Romero, Tim Brown, and Bob Denton, jumped to an early 7-0 lead with a 40 yard touchdown run by Patti Herman. But by the end of the first half, the Seniors had cut that lead to 7-6. The halftime talk by the Seniors' head coach Bill Cartwright, assisted by Tim Rector, Gerald Galstaun, Bill Cascione, Brian Jones, and Bart Pucci, must have been a whopper because in the second half, the team scored four touchdowns and held their opponents scoreless! The Seniors' tough offensive scoring drive was led by Van Coffey, Joanne Henrickson, Monique Howard, Julie Brown, and quarterback Nickie Clark. Their unrelenting defense featured Rosanne Chavez, Laura Monteleone, and Lorna Neilson. Both teams prepared for the game with hours of grueling after school practice. The foxy ladies may not be the athletes that the men football players are, but they sure are nicer to watch.

Teri Cashman, Bob Zatorski, Queen Ann Boggio, King Kent Braunschweiger, Vivian Stikich, Bill Cartwright, Martha Moreno, Todd Porter, Kelli Felt, Kevin Wilson.

Let's Hear It for Spirit!

Amidst a musical background, provided by a band called "Phoenix", the spirit court of 1976 was announced to a receptive audience. The court, in order, was as follows: fourth prince and princess, Kevin Wilson and Kelli Felt, third, Bob Zatorski and Teri Cashman, second, Todd Porter and Martha Moreno. The first runner-ups were Bill Cartwright and Vivian Stikich and the Spirit King and Queen for our bicentennial year were Kent Braunschweiger and Ann Boggio. The contributions that these ten people have made to the overall student body spirit have been invaluable throughout their stay at Cleveland.

The Les Memoires Staff takes great pride in presenting the Outstanding Seniors of 1976. Each student has been chosen as a representative of outstanding achievement in a specific department or major. Each has given more of himself in his field than his competitor.

The Ephebian Society is a civic betterment and service organization. Ephebians are selected on the basis of outstanding character, leadership ability, high scholastic achievement, and demonstrated service. The Society's major purpose is to focus the attention of its members upon matters of civic and community leadership, improvement, and service, and to inform and encourage the membership to actively participate along these lines.

One student from each forty, or approximately 2½% from each graduating class, may be chosen as an Ephebian. To qualify scholastically, the candidate must have maintained a "B" average throughout his senior high school years.

Bank of America Zone Candidates

The Les Memoires Staff is proud to present Cleveland High School's four Bank of America Achievement Award Candidates. The purpose of this award is to recognize and to honor outstanding seniors whose scholastic attainment, sense of civic responsibility, and evidence of leadership give most promise of future success and service to society.

The Achievement Awards Program was first introduced to the schools of the Los Angeles City School District in 1948. Cash awards, trophies, and certificates have served to emphasize the value of self-improvement, service to others, and individual achievement.

The awards program has been expanded to include all high schools throughout the state. The state is divided into nine geographical divisions, each with an approximately equal number of students. The schools within each division form an independent program and winners do not compete against winners from other programs. The nine divisions are divided into zone areas. Cleveland is a member of the West Valley Zone.

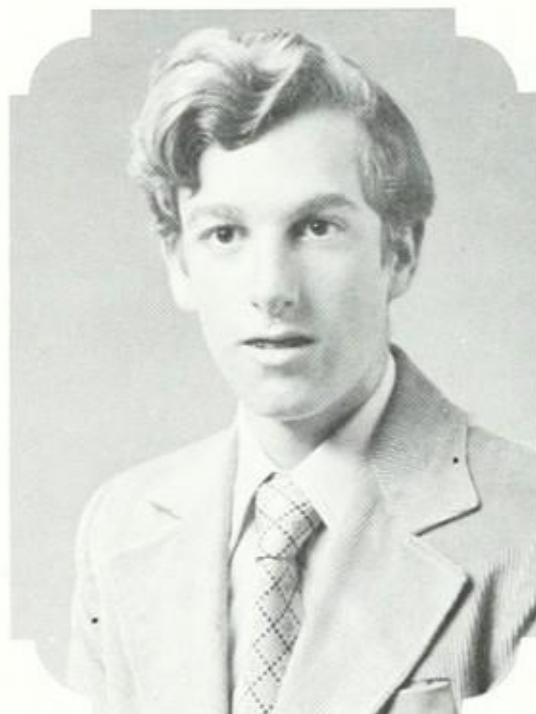

The selection of certificate of plaque winners is made by the faculty of the school with the guidance and approval of the principal. The four plaque winners are pictured here and the twelve certificate winners are as follows: William Giddings, Agriculture; Shelley Gardea, Art; Debra Terry, Business; Pamela Jordan, Drama; Elizabeth Morse, English; Adriana Zeldman, Foreign Languages; Janice Esau, Home Economics; Peggy Martino, Laboratory Science; Donna Alschuler, Mathematics; Paul Akins, Music; William Cartwright, Social Studies; Timothy Rumph, Trades & Industrial.

William A. Farmer Service Award

Timothy Rector

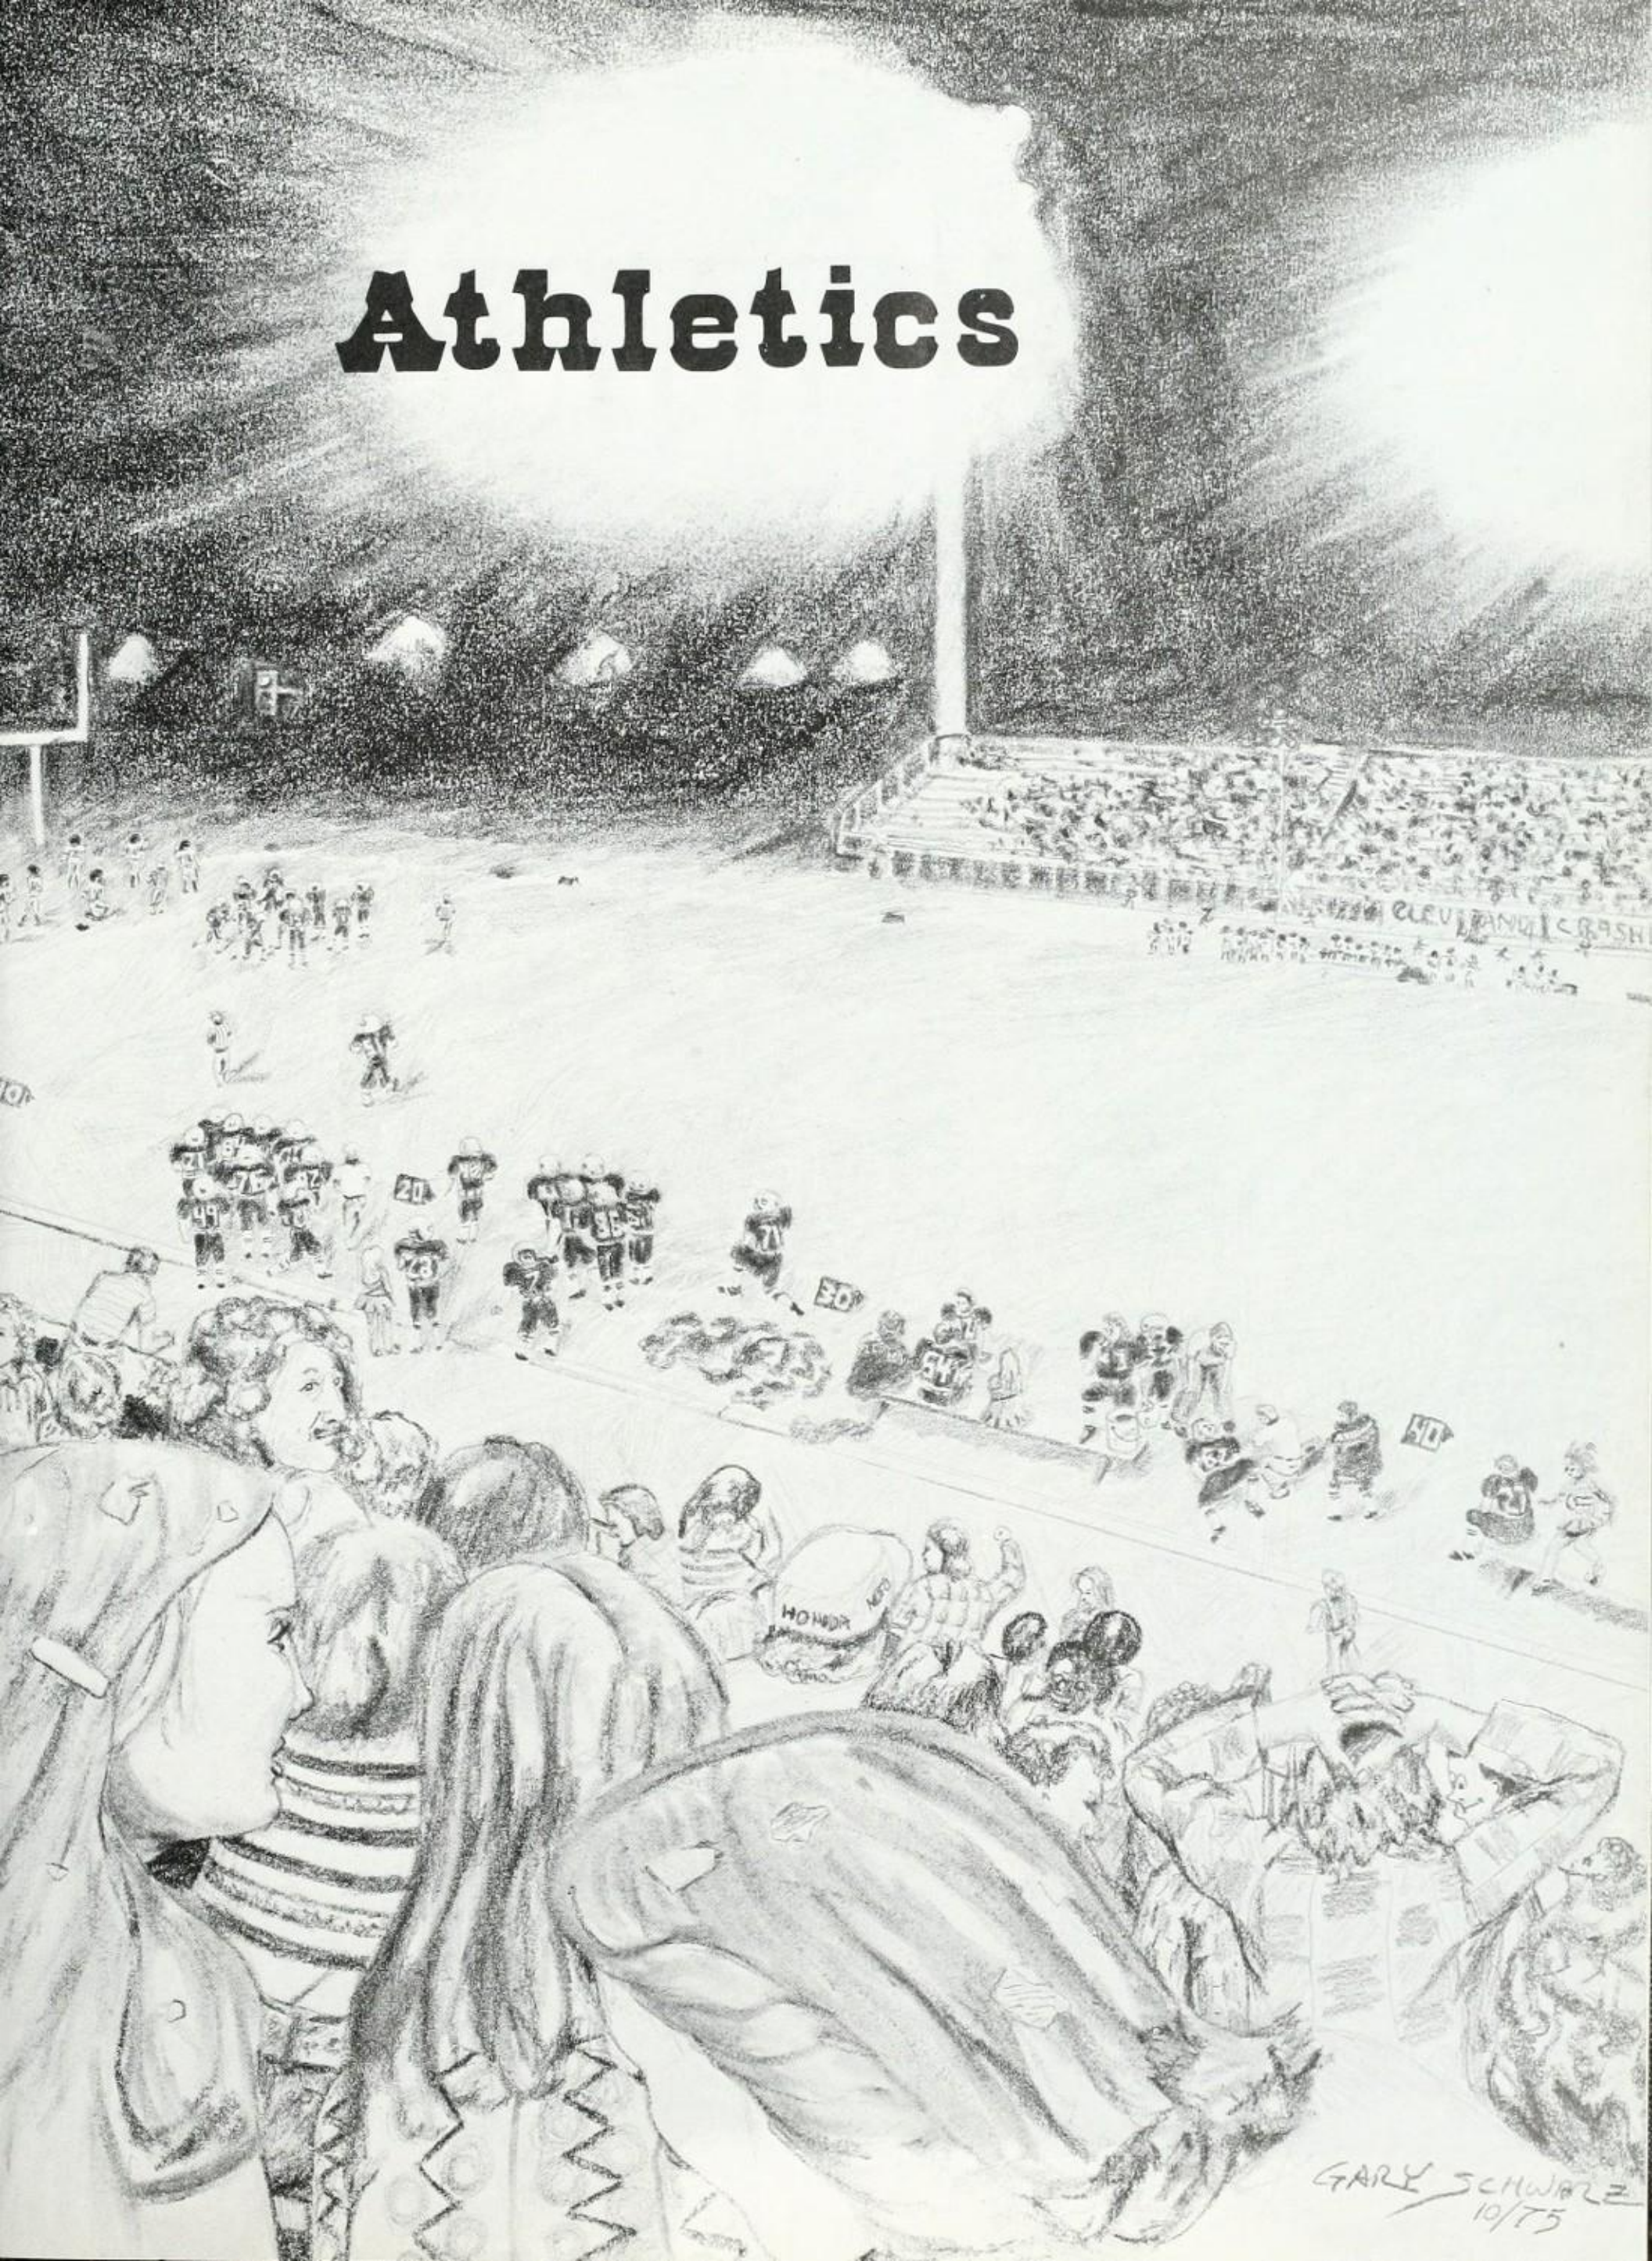

The William A. Farmer awards were originated to recognize two Senior Students, preferably one boy and one girl, who have contributed outstanding service to Cleveland in at least two fields. This award easily distinguished these individuals from Ephebian since the only grade requirement is a "C" average. The award was named in honor of Cleveland's first principal and is given at the awards presentation during Family Night.

Varsity Football

BIRMINGHAM: To poen up the 1975 football season, Cleveland traveled to Birmingham and defeated the Braves with a score of 28 - 14. It was a great passing game with quarterback, John Noland successfully passing six out of seven attempts for 111 yards. The Cavaliers finished their first game with a balanced offense, with only a two yard difference between rushing and passing totals. Cleveland scored first with Noland throwing 13 yards to Don Jorgens. Ken Siebrecht booted the first of four extra points. In the second quarter, Birmingham scored, but Noland struck again, along with Dave Smith for a 50 yard scoring play. After the kickoff, Cleveland recovered a fumble which took them to the 10 yard line. One more play and Alvin Hooks raced around left end and eluded two tacklers into the end zone to score. Before the second quarter ended, the Braves got on the board again, but for the final time. Cleveland's last touchdown came when Danny Bounds Tallied from 13 yards out with only three seconds left in the third quarter.

CARSON: For the 2nd game of the season, Cleveland was downed by the Carson Colts, 34-6. The game was a rough one which was statistically closer than the scoreboard indicated. The Cavaliers gained twice as many passing yards as the Colts, and finished the game with 126 total yards compared to Carson's 187. Unfortunately, Carson scored in each quarter except for the last, and it was here in the fourth quarter where Cleveland scored on a trick play which surprised Carsons' defense. Quarterback John Noland hit Don Jorgens for eight yards on a hook pattern. The Colts secondary collapsed on Jorgens who then flipped a lateral to Dave Smith who hauled untouched to score from eight yards out. The Cavaliers had two other drives to score but Carson turned them back. Cleveland's defense played a very strong game although the score didn't indicate their force. Cleveland's defensive line sacked the Colt quarterback three times, intercepted a pass and forced a fumble.

KENNEDY: With fullback Steve Sterling running for 124 yards and two touchdowns, Cleveland was lead to victory over the Kennedy Cougars, 18-7. The Cavalier offense played a good game with center Rick Langosh, guards Tim Rector and Mark Armstrong, tackles Larry Spellman and Bob Denton opening big holes for the backs all night. To start Cleveland's drive, Steve Sterling burst up the middle for 11 yards. Cleveland went 98 yards in 18 plays gobbling up the clock and yardage in big pieces. Another touchdown came when John Noland got together with Alvin Hooks on a 37-yard pass play to take the Cavaliers to the Kennedy 10. Noland then fed the ball to Hooks on a reverse to score!

VAN NUYS: For the last non-league game, the Cavaliers traveled to Van Nuys only to whip the Wolves 55-6. Things started in the first quarter when Alvin Hooks took a handoff on a wingback reverse and raced up the sideline for 76 yards and the score. The Wolves were troubled by seven turnovers, four interceptions, three lost fumbles, and had a pass intercepted at its' 45 to set up the second touchdown for Cleveland. After Dave Smith gained five yards to the 40, John Noland passed to Hooks at the 10 yard line and Hooks scored again incapable of being touched. Midway through the second period the Wolves came out in a shotgun formation which failed on the first play with Paul Romero intercepting a pass and returning it to the Van Nuys six. Steve Sterling then gained five yards and on the following play, Tim Brown burst over for a touchdown, leaving the halftime score 21-0. At the end of the third quarter, the Wolves scored their single touchdown. In the fourth quarter, Dave Smith carried for one yard and the touchdown which started the 35 point spree which put the Cavaliers out of reach. In the last period, each time Cleveland got the ball, Cleveland scored!

TAFT: To open up the 1975 football season, the Cavaliers traveled to Taft for the first league game. This game was said to be a hard game and with 21-7 being the conclusive score, indeed it was a tough game. Cleveland got on

the scoreboard first with quarterback John Noland throwing an eleven yard pass to Don Jorgens. The drive covered 96 yards, and 18 plays with two key runs from John Noland and Alvin Hooks. The Toreadors scored in the second quarter and twice in the 3rd quarter. During the second quarter, there were two major reasons why Cleveland couldn't score. The Cavaliers were lacking the services of runningbacks Tim Brown and Dave Smith. Brown pulled leg muscles while warming up. Smith got into a fight with a Toreador and was thrown out of the game.

EL CAMINO: The Cavaliers were downed by the El Camino Conquistadores with the final score being 20-7. Late in the first quarter, Cleveland was the first to score with Alvin Hooks ripping around right end and up the sideline to score. Ken Siebrecht booted the PAT which wrapped up Cleveland's scoring for the evening. Probably the factors which contributed most to Cleveland's loss were two injuries during this game. Starting tailback, Steve Sterling suffered a rib injury in the first quarter. Tackle Tom Smith also seriously injured his back in the fourth quarter, while holding El Caminos' last offensive drive.

CANOGA: The Cavaliers were fired up and ready to go, after their loss to El Camino and were aiming to Can Canoga. This was the situation for the first half of the game, with the score of 15-0. Dave Smith takes credit for scoring both of Cleveland's touchdowns. The first was scored on a two yard run to cap, a 13- play, 71- yard drive. The second score took place shortly before half-time on a 42 yard drive which came after Smith's interception of a Corpodian pass. John Noland ran for the two point conversion to make the intermission score 15-0. It definitely looked like a victory for varsity until the Hunters came back after half time ready to fight. Canoga fought successfully leaving the score 32-15, to keep the Hunters unbeaten.

RESEDA: After Cleveland's varsity football team started their new image with their "permed" hair, the Cavaliers ignored their losing streak by whipping Reseda 28-14. With only 33 seconds into the game, runningback Dave Smith raced 37 yards to tally the first score. Wingback, Alvin Hooks scored twice, picking up big yardage throughout the game. On a wingback reverse, Alvin zipped 47 yards to score and again from 14 yards out. Cleveland's offense totaled 300 yards with 247 on the ground. Guards, Rob Mc Carthy and Tim Rector are praised for making the wingback reverses successful and Gerald Galstaun receives credit for his defensive effort. In the third quarter, Cleveland's final touchdown was made by Dave Smith on a 47 yard run. The Cavaliers really curled Reseda permanently!!!

CHATSWORTH: The Chatsworth Chancellors took over the game for the first three quarters with a scoring of 13 points, but in the last quarter, Cleveland was right back in the game. The momentum turned in Cleveland's direction when quarterback, Darin Erickson quickly got the ball rolling with Ken Siebrecht barrelling to the Chatsworth 11, after bouncing off a linebacker. This 21 yard pass - run set up Cleveland's first score, which took place two plays later when Alvin Hooks accelerated six yards on an end-around. After the extra point was kicked wide, the Cavaliers regained possession on the kick off. Bob Denton recovered on the Chatsworth 40, and with the next chance, tailback Dave Smith ripped loose for a 19 yard push forward. On the next play, Charlie King plowed the remaining 21 yards to score! It was the Cavaliers' second touchdown in a span of 50 seconds. The score of 13-12 remained after a two point conversion failed. Not only was it Cleveland's Homecoming game, it was the closing game of the football season, 1975.

West Valley Junior Varsity League Champs! Third Year in a Row

This year's Junior Varsity, once again took the West Valley league championship. When the season opened, the J.V.s' were without a coach. But they went out and found themselves a good one in Bill Long. In a few short weeks he molded them into a tough, hard hitting team. The team had a lot of depth, and among the many stand outs were: tailback Mark Zuniga, halfback Reggie Blockman, tackle Eddie Arroyo, defensive end Steve Priestly, safety Ken Cox, and defensive tackle "Big" Ben Hutcherson.

Since the team was totally comprised of Juniors and Sophomores, talent will be assured for next years' Varsity Team.

The 1975 Bee Football team did not fare well in the competitive West Valley league. Not since the 1972 Championship season have the Bee's had a truly successful season. There were great expectations for the team at the start of the season but the team never really got it together.

However, there were many outstanding players including quarterbacks Guy Manning and Jeff Dudley, running backs Wayne Redburn, Kevin Ward, and Ken Hale (who also played defensive half), and offensive linemen Randy Schlosser and Dave Dapper. Defensive standouts included linebackers Paul Kale and defensive backs Sam Mendoza and Pat McArthur.

According to the spectators of this year's cross country teams, these boys deserve much credit for their running ability and endurance. Not many people realize the distance that they ran through the hills at Pierce. Both the Varsity and Junior Varsity teams ran three miles with the tenth grade team running two miles.

Although the teams didn't do too well in West Valley League competition, they were all outstanding runners. On the varsity team, the standouts were Jim Gill, winner of seven individual efforts and Jody Guererro. Standing out on the Junior Varsity was Tony Sigala and on the tenth grade team, Andy Radler. Not only did Radler break the school and league record, but he was two and one tenth seconds short of breaking the city record.

This was a good year for the Cleveland Varsity tennis team with the return of number one man Al Benoit, returning lettermen Norman Gordon, Brian McMahon, Franklin Roth, Steve Kaplan, Ralph Nichols, John Dunham, Bob Gausman, and Dan Johnson. Another big boost to the team was the edition of sophomores David Martin, Mike Wilson, Dennis Danko and Mark Sneddon.

Coach Leckman was pretty satisfied with the pre-season and it appears that the team is constantly improving. This could be the year that Cleveland finally breaks into the top three in the West Valley.

The 1976 Varsity baseball team looks very impressive with many outstanding players. Paul Romero was last years' Varsity co-batting champion and most improved player. Up from last years' Junior Varsity team are: Tom Bell, who last year was co-most Valuable player West Valley League Player of the Year and made First team All League; Dave "Smoke Ball Smith", last years' J.V. captain and second team infield All League; Dave Moses, last years' J.V. most improved player and second team catcher All League; Gary Spear, last years' J.V. co-most valuable player, and first team outfield All League; Tiger Tom Doll, last years' J.V. batting champion and second team infield All League; Don Jorgens, last years' J.V. second team outfield All League; Danny Bounds, last years' J.V. first team pitcher All League; Tony Smith and Wayne "Rifle Arm" Redburn.

The team consists of all of last years' Junior Varsity team except for returning letterman, Paul Romero. The J.V.'s were League Champions last year and are definite league contenders for the Varsity '76 season. The team did very well in pre-season play with an explosive offensive attack and fine defensive play. The coaches have high hopes for the city playoffs.

Coach Joe Soloman

Cleveland's Golf Team for 1976 is one of the best in recent years. Although the team lacks one stand out, the team as a unit is performing superlatively. The Varsity team is under the watchful eye of coach Joe Soloman and the J.V.'s are under new coach Jerry Martin. Mr. Martin of the driver training department, has added new vitality to the Junior Varsity Golf Team. The Varsity Golf Team contains six active players and a seventh man alternate. There are many colorful players on both teams who deserve recognition: Brian "the bomb" Lawhead hits one of the longest drives in Cleveland history. Also, there's Marc "long putt, short body" Berger who has proven to be one of the finest putters on the team. Last but not least is Jeff "the hack" Wilson, who has shown his tenth grade initiative by trying to be number one.

Varsity Swimming

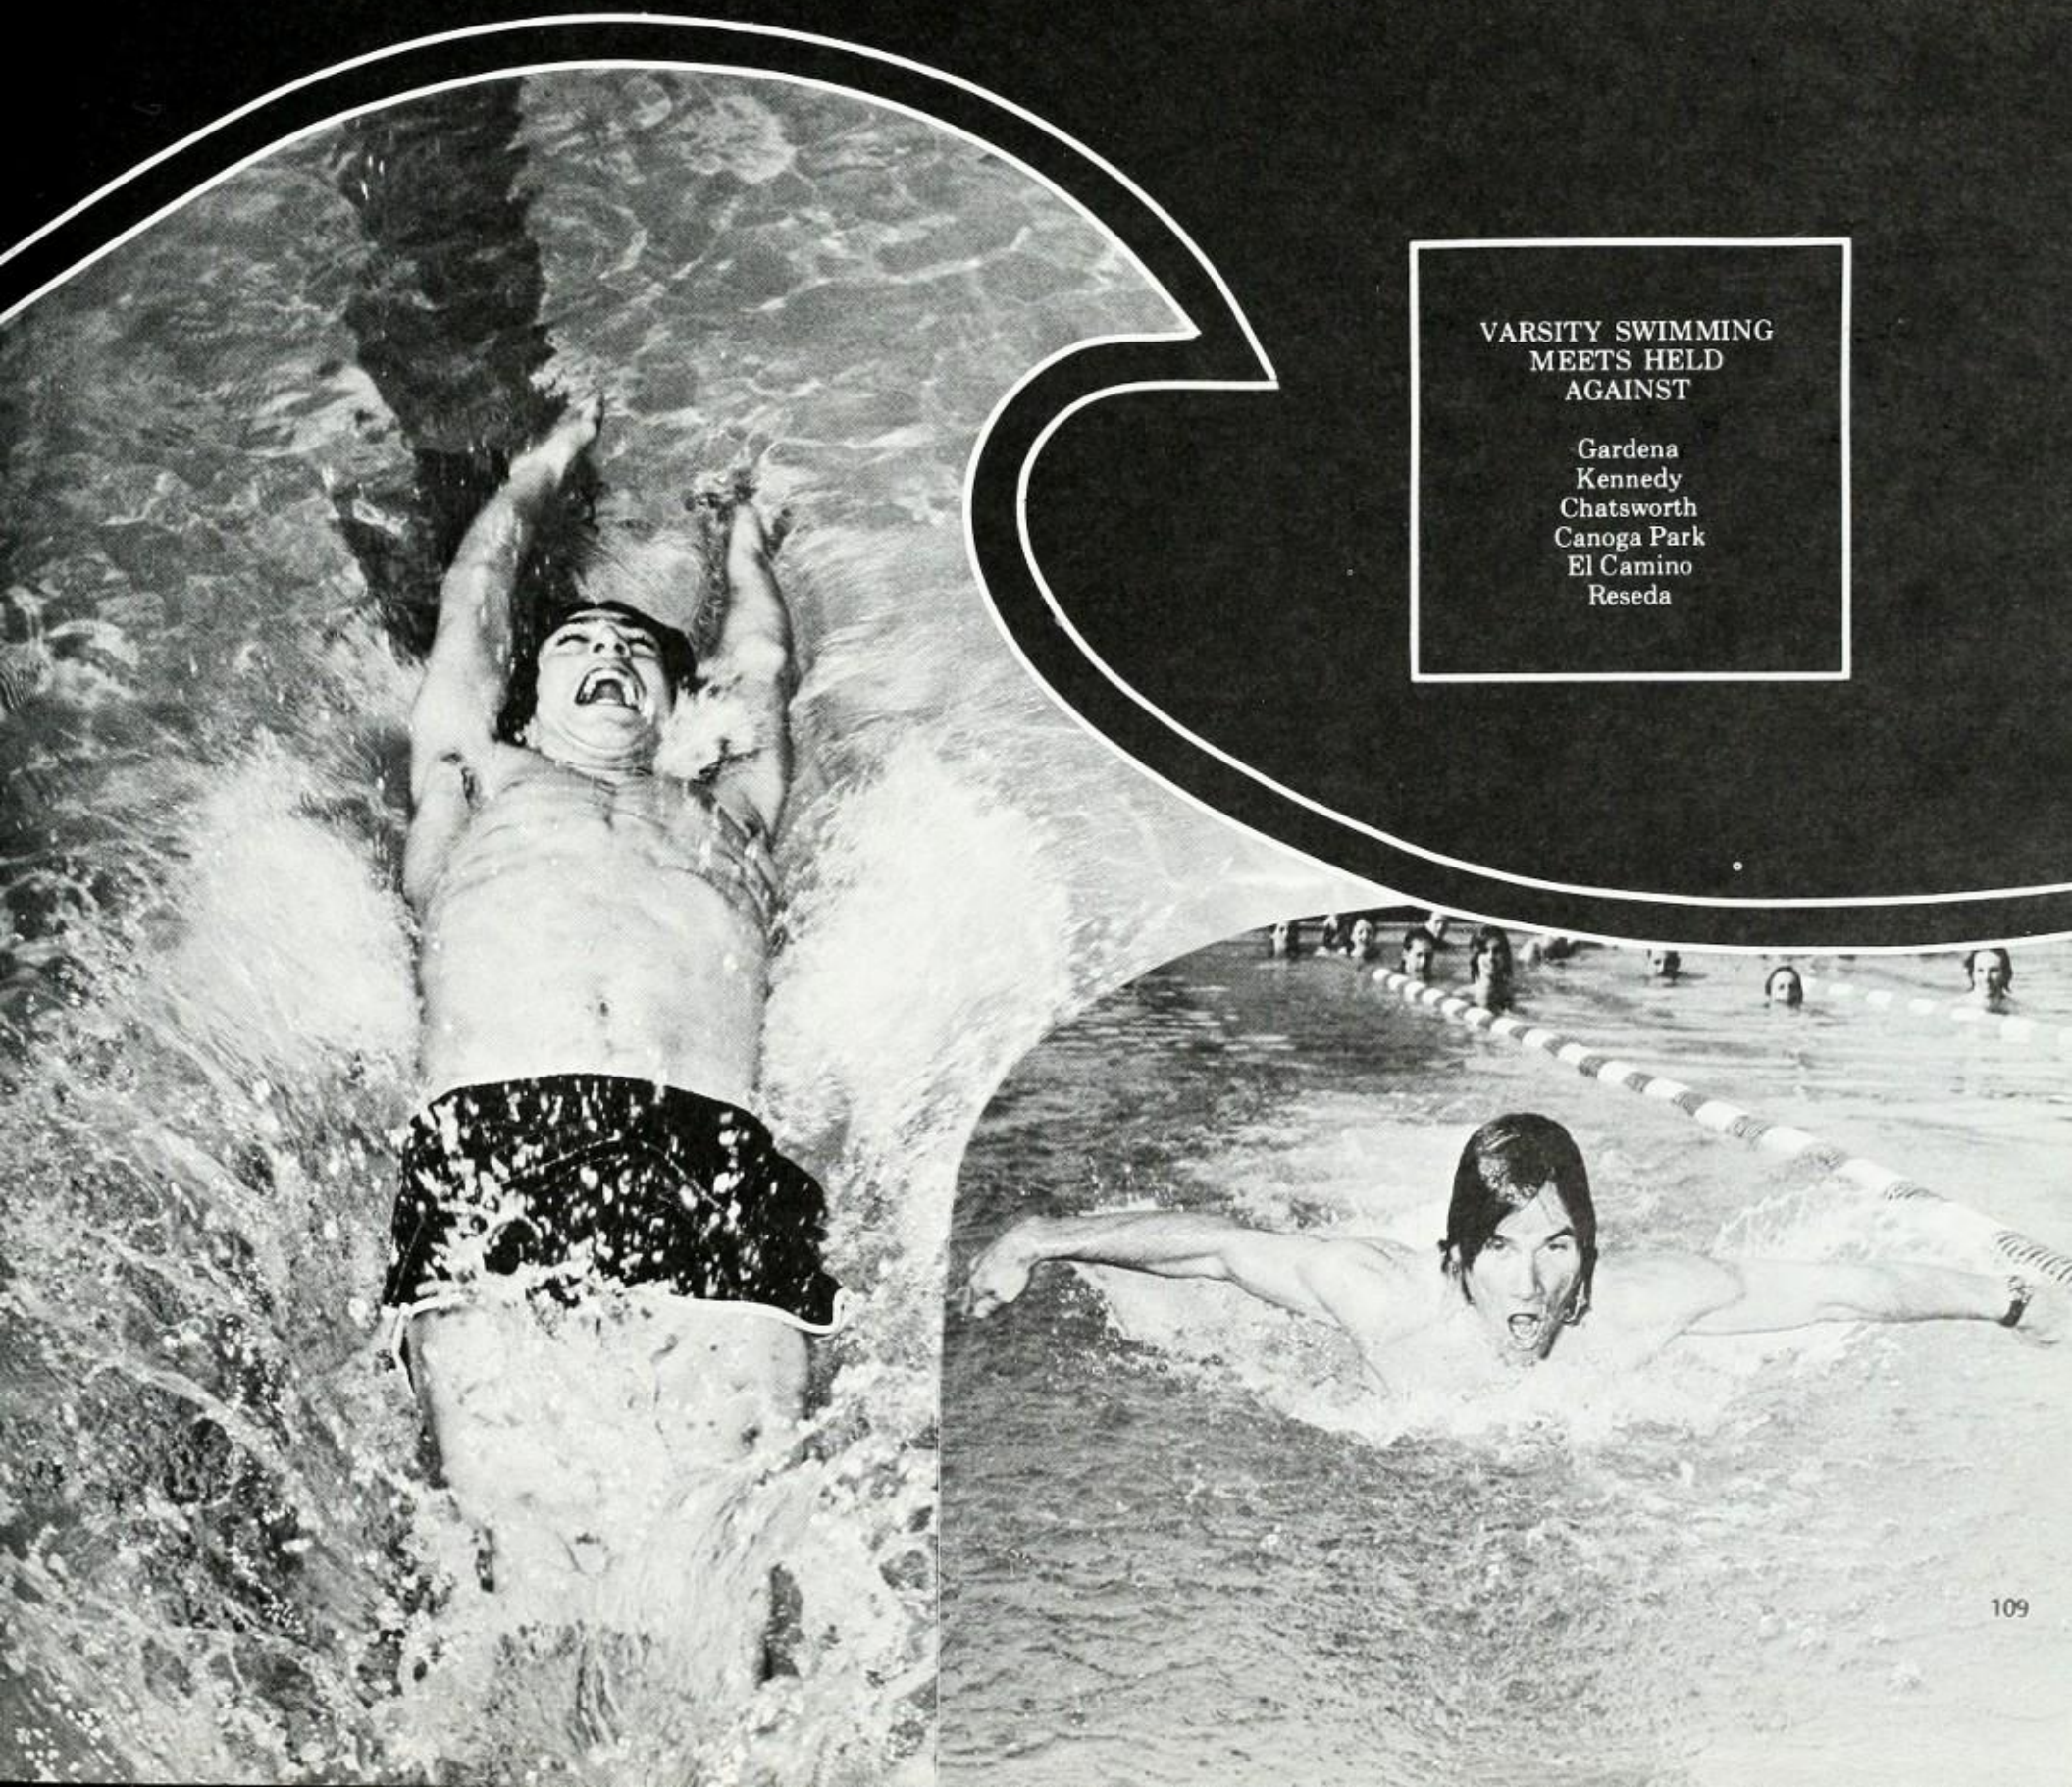

Entering the 1976 West Valley League competition, Cleveland's Swim Team again proved to be the most spirited. It has been a long lasting tradition on the Cavalier team to always demonstrate good sportsmanship. This year was no exception.

Along with the enthusiasm, a much improved team was evident. Aiding both the Bee and Varsity teams were a strong Scott Beiser and Kent Braunschweiger swimming long distance freestyle along with other stroke events. Paul Brady and Marti German swam their way to victory in the sprints. Three year Varsity swimmers, Jim Adlard and Robert Murphy, again showed great speed and versatility as they placed high in the city finals.

A new aspect to the team this year were the many new female swimmers who proved their worth as they participated in all four strokes: butterfly, freestyle, backstroke, and breast stroke.

The 1976 Cleveland track and field team was one of the strongest in the West Valley league, with only Taft possibly proving superior. Much of last years championship team is back to stage a repeat in '76. Alvin Hooks has to be recognized as the leader of the team with league dominance in the 100 yard dash (looking to break 10 flat), the 440 yard relay and the long jump. Tim Brown, Gary Moschin and Lonnie Link made up the rest of the super quick 440 relay team. Brown also runs the hurdles and the 100, and Link was outstanding in the high jump and hurdles. The muscle men of the shotput, Mark Yerkes, Ben Hutcherson and Eddie Arroyo did quite well despite tough league competition. Other outstanding individuals were: Tony Baker in the hurdles, Eric Polzien and Ed Anders in the pole vault, Todd Porter in the long jump, and Jim Gill and sophomore ace Andy Radler in the distance events.

During the half-time festivities the everpresent precision Drill Team executed outstanding performances. This year's spirit squad was one of the largest in Cleveland's history. Composed of 102 girls, from all grade levels, the Number One Drill Team provided an opportunity for Cavaliers to display their spirit. Thanks to the efforts of sponsor Mrs. Lamb and the Drill Team officers, the 1975 squad was outfitted with new uniforms.

"Spirit of '76" was magnified as the 10 cheerleaders, lead by Kelli Felt, inspired all the spring athletes to many happy victories. Kelli shared her responsibility with the Head Yell Leader, Shonne Epperly. This was a very ambitious group of girls. Before taking their office they got together and planned a car wash to raise money for uniforms. Selling tickets for \$1.00 a piece, you might say the girls really cleaned up.

We appreciate you girls tremendously and hope you will accept a Thank you from everyone at Cleveland.

The Choir, under the leadership of Mr. Jenkins, has been busy rambling out tantalizing tunes which reverberate through K-Hall during third period.

Hospital Occupations is a 2-semester class designed to give the students first hand knowledge of the health care field; to make them aware that there is more to caring for the sick than just doctors and nurses. However, since the doctor slowdown, this class has been limited to the amount of time spent at the hospital.

The main objective of the Childhood Education Aide class is to give high school boys and girls vocational training so when the nine-month course is completed they are qualified for a job as a nursery school aide or may continue with further training. Part of the school year is spent in elementary schools and private nursery schools working with youngsters.

Administration-Faculty

Mr. Sanders

Salutes the Bicentennial

The United States of America is now observing its bicentennial. Cleveland High School is observing its 17th birthday. Each has had its beginnings, and each has had its re-evaluations. Now is the time to count our many blessings and give thanks to those who got us underway so well. The job is far from complete. Now as we take stock, let us also dedicate ourselves to the task of making each, country and school community, a better place in which to live, holding each other in mutual respect.

Mr. James DeFrates, Assistant Principal
Mrs. Patricia Moskowitz, Assistant Principal

Mrs. Margaret White, Dean of Girls
Mr. Ray Todd, Dean of Boys

Miss Zoe Bromley
Director of Guidance and Counseling

As another year comes to an end, the Cleveland High School Faculty and Administration have again shown their dedication to students. The things they have taught us and the examples they have set will play a big part in our success in the future, and the accomplishing of our goals. Led by Mr. Sanders, these people have really helped make Cleveland "Number One." Cavaliers are very fortunate to have a staff like this who really participate in school activities.

Les Memoires Staff 1975-1976

Welcome Ladies & Gents, to Les Memoires '76! At the end of each school year, as if by magic, a yearbook bursts upon the Cleveland High School scene. But the fact is, many hours of time, patience, and dedication go into making the book. So now, the Les Memoires staff of 1976, takes great pride in tooting its own horn and spotlighting the people who made it all happen. "We're not humble"!

The year's first order of business was to move the staff operations from "C" hall to a new, bigger and more well equipped (i.e. stove, washing machine, garbage disposal, etc.) headquarters, in room "A-8". After this hectic shift took place, the new room could be termed as "quite a mess." But through the staff's hard work and determination, by the end of the year it was truly a disaster area. Two unknowing girls, assessing vandalism damage to "A" hall, midway through the semester, took one look at the room and exclaimed, "Boy, they REALLY messed up your room bad!" Our proud Editor-in-chief replied, "It always looks like this." And speaking of the E-in-C, ours was none other than the very "Kompetent Kent" Braunschweiger. Who else? Using his natural leadership ability and a few emotional "C'mon guys, we're gettin' behind's," Kent made sure every last page was turned in on time ... give or take a few weeks! Helping Kent was our Assistant Editor, the ticklish and contagious, Kathy Barrie. Besides always being there to lend a hand when you needed her, Kathy gave a new and distinctive "at-ease" look to our faculty section; now playing on page 157. Next in order of rank comes the lovely Lorna Neilson, our Copy Editor. When she wasn't on platonic rendezvous with Kent in the phone room across the hall, she kept busy correcting our grammatical atrocities. That is, when she could get to the dictionary, which typist Shelley Gardea sat on to reach the keys of her typewriter. But that's another story. Certainly one of the busiest members of the staff was "Curly-Top Carolyn" Fuson. She would "shoot" up to Northridge Studios to get photos for her section, the "shoot" over to McDonalds to get food for one and all, then she returned to "shoot" those Seniors who hadn't returned their proofs for publication. Whew! At the beginning of the semester, it appeared as though "Grand Ann" Boggio's underclassmen section was going to get off to a late start (bit nails). But then lighting struck, and the section was miraculously finished before Kent could say, ... "Come on Ann, we gotta get going." Boggio triumphs again! Meanwhile, in another area of the room, "Wild Bill" Cartwright and "Mystical Martha" Moreno were talking. Bill said, "Marth, we've gotta create a great sports section." Martha told Bill, "This is true." Bill said, "You take half the pages and I'll take the other half." "This sounds like a plan," replied Martha. Bill assured her that it was, and Martha gave the word to "BIG 'G', little 'o', Go!" And so our super sports section was born, thanks to that simple twist of fate. Then there's Earl "Speedo" Baer, the boy wonder of instant insanity, and also the author of this text. Drowning in his frequent glasses of water, Mr. Baer worked very hard in presenting the years many activities, using his abstract mind to its fullest. Throughout the year, Clubs & Organizations Editor, Marc "The Ham" Berger, displayed his unique talents. He kept us both amused and nauseated with inept impressions of George Carlin and John Wayne. Fear not, Rich Little. This brings us to our ace photographers, "Tacky Tim" Rector and "Slippery Sharon" Jacobowitz, whose pictures grace virtually every page of this book. Who needs "Fotomat" when you have a "Rectomat" around (strictly closed on weekends and holidays). Tim's photo work was always superb and unsurpassed in quality ... at least that's what he kept telling us. Sharon spent most of her time sorting out the tons of negatives that kept piling up, and dropping us a few post cards now and then to tell us how she was doing. The clown responsible for the fine artwork throughout the book is our Art Editor, Gary "Out to Lunch" Schwarz. Gary proved to be an inspiration to us all by urging us to get our pages in even before they were due. His own division pages, however, were traditionally late. When Kent would ask him why this was so, quick-thinking Gar' would reply, "I dunno," and continue eating his peanut butter and honey sandwich. Artists are very tempermental. On some minor art projects (such as our cover), Gary was assisted by our talented typist, "Shifty Shelley" Gardea. Whenever a staff member was feeling low and needed some moral support, they would simply show their work to Good 'ol Shelley. Her guaranteed opinion was, "Oh, that's real nice." How reassuring. In reviewing the past year's events, we must not overlook the man who looked over our work throughout, our sponsor Mr. Stan Davis. Mr. Davis reminded us of many things, but most of all he reminded us of a shoe, of all things. He has a leather tough exterior, a quick tongue, and one heckavawicked sole. Thanks are also in order to Mr. Bruce Snyder of Northridge Studios Photography and to Mr. Dave Sorrenson of the American Yearbook Company.

We feel that this year's staff was nothing short of outstanding. We also feel the yearbook we produced was nothing short of a masterpiece. (We told you we weren't humble). It is our hope that you will enjoy and treasure these pages for years to come. Need more be said?

Throughout the past year, the Les Mémoires Staff of 1976 has worked very hard in collaborating to present a book of memories which depict the many people, events, activities, and accomplishments, which have made this year very unique. We would also like to recognize our country's 200th birthday, 1976—the year comemorating the independence of the 13 colonies; the birth of the United States of America. This is a very important part of our history, but as residents of California we have another history—the Winning of the West. The Indian days and the days of the Franciscan Missions are still evident today. Explorers like Jedediah Smith, a trapper who crossed the Sierra Nevada mountains and was the first American explorer to reach California by land, Kit Carson, and John C. Fremont add strength and color to our state. Cowboys, cattlemen, and homesteaders. John Sutter and the Gold Rush, are all a part of this exciting history. The California flag, a single star, a grizzly bear, and the words California Republic, show the courage and the spirit of freedom these frontiersmen and American settlers of California possessed. Now as we finish this book, we take pride in dedicating these pages to the Winning of the West, but most important the Bicentennial of our country.
